## Join Girl Scouts!!

As a Girl Scout, your daughter will grow in an environment that will nurture her creativity and intellect, providing her with both the encouragement and resources to follow her dreams. She will have the opportunity to share experiences with girls her own age and form long lasting friendships. She will visit exciting places, learn new skills and participate in fun activities. In addition, Girl Scouting will give your daughter added support to build her self-confidence, helping her become a resourceful individual.
